

Radio interview with Jan Lundberg in San Francisco

Contributed by Jan Lundberg
04 October 2007

Listen to a new

radio show with Jan Lundberg aired on Oct. 4, 2007. Topics include the Climate Emergency Fast, Trilby Lundberg, Peak Oil, depaving, upcoming convergences, and tree-sitting. Ideas for sustainable living and ushering in the "new" culture are discussed. Musical breaks are provided by The Depavers and The Freys. The one-hour program was recorded at Culture Change's analog eco-rock sound studio in San Francisco on the prior afternoon. The interviewer is Martin Matthews, host of Reality Sandwich, the noon radio show broadcast every Thursday on KPOO-FM 89.5 (kpoo.com), the long-established African-American liberation/music station.
